What day of the call cycle were you on yesterday? LC PC NFA SC Rounds Off
Did you have clinic yesterday? Yes No
Total team census this morning: ___________ R1's only: How many patients are you caring for this morning? ___________

How many new admissions did you evaluate between 8am yesterday and 7am today? ___________
(include bounce backs, NFA, and inter-team transfers)

1. In terms of the total number of patients you cared for yesterday (8am to 8am), how do you feel?
   Not challenged 1--------2--------3--------4--------5 Overwhelmed
   Why? _______________________________________________________________

2. In terms of the patients you cared for yesterday, how do you rate the average acuity?
   Not acute
   Stable, standard problems 1--------2--------3--------4--------5
   Straightforward
   Very acute, sick patients
   Multiple problems
   Lots of diagnostic uncertainty
   Comments? _________________________________________________________

3. In terms of the patients you cared for yesterday, how variable was the case mix?
   Homogeneous
   (Diagnoses you have cared for before) 1--------2--------3--------4--------5
   Heterogeneous
   (new and different diagnoses for you)
   Comments? _________________________________________________________

4. How would you classify your learning over the past 24 hours?
   Less than optimal 1--------2--------3--------4--------5 Ideal
   Why? _______________________________________________________________

5. How important were each of the following in your learning yesterday?

<table>
