Horstense love worked with Fritz Lehmann of the Middle West and numerous other music centers. The war sent her to France, where she worked sponsoring Miss Samoiloff of Los Angeles, and continued that "her manner was charming, her appearance in such good taste and her singing inspiring."

Horstense love was born in Missouri and spent her childhood in New York. She later went to Europe to study music at the University of Nancy. Returning to the States, she taught at Northwestern University. Selah Club News

Lila Hope is the new secretary. She is the new president of the club. She was picked from the new club. As a result I found them to be interested in the meetings, only a number of new members had been added. As some of these members are busy and I didn't have time in my schedule, I had to work on them later. However, they seemed to be very interested in the way that the meetings were being conducted.

I might add that this was a very well conducted meeting, conducted by Mr. Hope in an excellent manner. The group were interested in the way that the meetings were conducted.

The program was very interesting, it included a presentation on the history of the club, the work they have done, and their expectations for the future.
