AGENDA

Third Biannual Meeting of the Environment for Development (EfD) Forest Collaborative

June 25, 2018
School of Business, Economics and Law (SBEL)
University of Gothenburg,
Vasagatan 1, Gothenburg
Room B32

Research presentations: 15 minutes total (10 minutes presentation, 5 minutes Q&A)

8:30–9:00: Introductions

9:00–10:30: Research session #1—payments for environmental services, protected areas, and forest transitions

1	Kelly Jones	An integrated modeling and evaluation of the impact of payment for hydrological services programs on ecosystem services outcomes in Veracruz, Mexico
2	Maria Alejandra Velez	Effect of economic incentives on pro-environmental behavior and motivations: What happens when payments for ecosystem services are removed?
2	Alex Pfaff	Political economy of protected areas
3	Erin Litzow	Forests and energy: Evidence from two decades of transition in Indonesia
4	Daniela Miteva	Deforestation patterns in post-conflict societies: Evidence from northern Uganda
6	Suzie Kerr	Creating price signals to facilitate reforestation: Lessons and potential funding from New Zealand

10:30–11:00: Coffee break

11:00–12:30: EfD Forest Collaborative business

- *World Development* special issue on decentralization of forest governance
- Choosing a new thematic focus
- Funding and collaboration opportunities

12:30–1:45: Lunch (catered in meeting room)

1:45–3:15: Research session #2—Managed and urban forests

1	Boscow Okumu	Spatial patterns of market participation among forest adjacent communities in Kenya
2	Allen Blackman	The net effect of concession on forest loss: Quasi-experimental evidence from Mexico
5	Pushendra Rana	Predicting the long-term social and ecological impacts of forest plantations
4	Jorge Garcia	Bricks and trees, poor and rich: Valuing land-use externalities in Bogotá
5	Laura Villalobos	Has forest certification improved habitat quality for avian diversity in Sweden?
6	Jonas Poufoun Ngouhouo	What drives livelihood strategies in rural areas? A spatial analysis from the Tridom Transboundary Conservation Landscape

3:15–3:45: Coffee break**3:45–5:30: Research session #3—Decentralization of governance authority**

1	Johan Oldekop	Linking protected areas, community forestry, and international migration in Nepal
2	Yuanyuan Yi	Devolution and collective action in forest management: The case of China
3	Jintao Xu	Forest tenure reform with imperfect village democracy
4	Juan Robalino	Is collective titling enough to protect forests? Evidence from Afro-descendants communities in the Colombian pacific region
5	Pham Nam	Does decentralization of forest management reduce mangrove deforestation in the Mekong delta of Vietnam?
6	Randy Bluffstone	Spatial behavioral spillovers in community forest management
7	Dambala Gelo	Cooperation under alternative punishment institutions: Experimental evidence from commons' dilemma

6:30–8:30: Dinner

Sjöbaren Restaurant, Haga Nygata 25 413 01 Göteborg <http://www.sjobaren.se/haga/>
