WASHINGTON, D.C. — The work and contributions of the National Association for the Advancement of Colored People were underscored this week by an unknown member of St. Mary’s Church in Detroit who has recently been named by George H. Hash, executive secretary of the Catholic Interracial Congress of New York and a member of the national board of Directors of the NAACP.

"Don’t let anyone tell you that the NAACP isafd," Mr. Hash counseled the organization in his talk on the progress made in the struggle for interracial justice in the United States. Mr. Hash spoke under the auspices of the Catholic Diocese of Portland.

One of the biggest social, economic and political questions today in America—and in Africa, the West Indies and England—is: What to do with the Negro?

The 15th birthday observance of a great American President, Abraham Lincoln, approaches, so perhaps this is a good time to answer this question.

The Negro is blamed for many of the social ills that exist today in Oregon and American cities. Many people presume to speak for him, but very little is known about him as a human being, and this awareness has been too long delayed.

We Salute National Negro History Week

WHAT DOES THE AMERICAN NEGRO WANT? The answer is, noblesse oblige—just what everybody else wants—nothing less and nothing more. We want jobs, we want opportunities, we want equal pay for equal work, and you want them for us or withheld from us. We don't want any special cars in which to ride or special schools to which to go. We don't want any special houses or blocks in which to live or special units of the armed forces from which to fight for freedom. We don't want any special favors to put us ahead—but we don't want any special agreements to hold us back. All we want is equal opportunity with all other Americans to live and work and play and to vote and get an education and be promoted, to fight for our country—and to hope for President like every other President. More than that we do not ask but with less than that we shall never be content.
**In The Temple of Truth**

By REV. H. G. PATTERSON

"When I lift up my eyes to the hills, where does my help come from? My help comes from the Lord, who made heaven and earth. He will not let your foot be moved; he who keeps you will not slumber. Indeed, he who keeps Israel will neither slumber nor sleep. The Lord watches over you to give you your desire and to fulfill all your needs." (Psalm 121:1-3, 5-6)
