## MY REAL WORTH

The more important  
part of me...Is not  
what I am worth...But  
how much good my life  
can do...For others on  
this earth...For I may  
have enormous wealth..  
And carry quite a name  
...And never share a  
particle...Of money or  
of fame...My worldly  
goods and glory are...  
Of little use to me...  
Unless they bring some  
benefit...To my com-  
munity...Unless I try  
to overcome...My sel-  
fishness and pride...  
And show my neighbors  
that I have...A more  
considerate side...The  
only real, substantial  
worth...That I posses  
today...Is not the sum  
I gather, but...how  
much I give away.

## CLUB SONG

(Tune, "The Old Refrain")

With heart and hands we  
strive to do the best;  
Our eyes upon the high-  
est peak doth rest;  
Honor and culture both  
we have in view,  
Friendship and Loyalty  
and courage, too  
As onward up the path we  
daily go;  
We falter much, our  
steps are often slow.  
But for God's helping  
grace we daily pray;  
His hands for us will  
ever point the way;  
So to our tasks we go  
without a fear;  
We know "To labor is a  
pleasure" here;  
A smile and song for  
all along the way -  
The Culture Club lives  
on from day to day.  
- Emma Walker
