This Conference Agenda is brought to you for free and open access. It has been accepted for inclusion in Forest Collaborative Research by an authorized administrator of PDXScholar. Please contact us if we can make this document more accessible: [pdxscholar@pdx.edu](mailto:pdxscholar@pdx.edu).

**\*\*\*\*\*AGENDA\*\*\*\*\***

**FOREST COLLABORATIVE MEETINGS  
12<sup>th</sup> Annual EfD Annual Meeting  
Intercontinental Hotel Hanoi Westlake, Vietnam**

**-----SATURDAY, NOVEMBER 3, 2018, 16:00–18:00-----  
Room: Ballroom 1**

**I. Welcome to Forest Collaborative meeting (Allen) [~10 minutes]**

- A. Brief history of Forest Collaborative and overview of current initiatives
- B. Agenda for meetings November 3 and 4

**II. Brief self-introductions [15 minutes]**

**III. Presentation of new thematic focus: SYNTRAP (Maria Alejandra and Johan) [20 minutes]**

- A. SYNTRAP concept
- B. Related work at UniAndes, U. Manchester, and U.M.
- C. Proposal for special issue of a journal

**IV. Discussion of new thematic focus (led by Maria Alejandra and Johan) [1 hour 15 minutes]**

- A. Comments on proposal
- B. Who in room and not in room is doing related work
  - 1. Inventory existing work that could fit within this initiative;
  - 2. Identify specific natural resource management and poverty alleviation programs for potential evaluation in key countries;
  - 3. Identify and map the data landscape for potential analysis;
  - 4. Identify key methods and analytical approaches; and
  - 5. Develop partnerships, individual working groups, and final plan of work, including short and longer term activities, outputs and potential sources of financial support.
- C. Timing of journal special issue
- D. Potential venues (journals) for special issue
- E. Potential funding sources

-----SUNDAY, NOVEMBER 4, 2018, 16:00–18:00 PM-----  
**Room: Westlake 1**

**Egg-timers:**  
**short informal presentations of work-in-progress**  
**by Forest Collaborative members**

(6 minute presentations + 7 minutes group discussion + 2 minute buffer = 15 minute total)

<b>Time</b>	<b>Name</b>		<b>Topic</b>
16:00 – 16:15	Banerjee	Onil	Analysis of Colombia's Payment for Ecosystem Services Proposal: An Application of the IEEM Platform
16:15 – 16:30	Blackman	Allen	Avoided deforestation from 'Water Funds' PES projects in Brazil and Ecuador
16:30 – 16:45	Das	Saudamini	Water provisioning value of broad leaf forests compared to chir pine forests in the upper Himalayan region
