Whose birthday or anniversary would be happier for the sound of your voice?

IT IS hard to believe that the voice of a friend is so near or so far away but you can always use it for its value. By sending a birthday or anniversary card you can show your appreciation of a friend's presence in your life. And if you are far away from your friends, send them a card or a note to show your appreciation of their friendship and love.

Says Well Known Historian
Natives Can Learn Much From Them

BY CARTER G. WOODSON

It is Friday, that the national society of the Negro "By the Way" is another name for the American Negro. For a number of years now the Negro has been given to the unusually large complex; and instead of thinking of great these citizens with epithets which er, have developed with a keener Statea.

These are just a few of the many things that have been brought to the West Indian Negro, as a rule, is the one to cross the color line and break it down. It is timely, then, in visiting the West Indies, to give the best conceived plan for a servile realistic education and international cooperation. The one who thinks when we see a Negro engineer or lawyer, D. Vesey, the educator, W. H. Crogman; and must be torn away from some white man's country.
