How to Open Pedagogy: Tools and Techniques for Transforming Teaching

@actualham
WHY OER?

It’s not only about textbooks.
It’s about access to Higher Education.
• 56% of students pay more than $300 per semester

• 20% of students pay more than $500 per semester

• Students worry more about paying for books than they worry about paying for college. (NEEBO)
Effects of Textbook Prices

- 67% of students did not purchase a required textbook
- 38% earned a poor grade
- 20% failed a course
- 48% occasionally or frequently took fewer courses
- 26% dropped a course
- 21% withdrew from a course

2016 Survey of 22,000 students, Florida Virtual Campus, comprised of the 12 universities and 28 colleges in the Florida state system.
The REAL Cost of College

- Tuition
- Textbooks
- Transportation
- Child Care
- Food & Shelter
- Opportunity Costs

Beyond the Book
Access to Higher Ed: Earning & Autonomy

- Americans with 4-year degrees made 98% more an hour than people without a degree. (Leonhardt 2014)

- The wage premium for people who have attended college without earning a bachelor’s degree (including community-college grads) has not been rising. (Leonhardt 2014)

- 1.1 million adults in OR have some college but no degree (Nat’l Student Clearinghouse Research Cntr 2014)

INTRODUCTION

JUSTIN SIEWIERSKI & SIMON PIERPONT

The Pueblo Revolt took place in 1680. It was a rebellion of indigenous people that occurred in Santa Fe de Nuevo Mexico, present day New Mexico. The Pueblo Revolt, also known as Popé’s Rebellion, was a successful movement that resulted in the death of 400 Spaniards and also drove over 2,000 Spanish settlers out of the providence so the indigenous people could have their land back. Popé was a San Juan Indian who had been captured by the Spanish in 1670 and tried as a medicine man for “practicing

What is *Open Pedagogy*?

*Pedagogy enabled by the open license.*

**ACCESSIBLE:**
the open license can reduce barriers to education.

**LEARNER-DRIVEN:**
the open license can empower learners.

**CONNECTED:**
the open license facilitates connection and collaboration.

**PUBLIC:**
the open license can help build a case for public education.

I am absolutely blown away by excitement surrounding my #openped post. So much positivity generated by sharing. #thisisproof #evolhumbehav
@john22francis your thoughts and words on grades, learning, feedback and failure are awesome. thank you!
We are very excited to be featuring writing by @KayleighMaria_ in our forthcoming newsletter! Student of wonderful @actualham @PlymouthIDS
The open license helps us lower educational costs, and can spur us to think more broadly about **access**.

The open license is a vehicle for students to use their knowledge and understanding to **impact** the world.

The open license **connects** the academic world with the publics that support them, and which they, in turn, support.
