This Event is brought to you for free and open access. It has been accepted for inclusion in Critlib Unconference by an authorized administrator of PDXScholar. For more information, please contact pdxscholar@pdx.edu.
Feminist Pedagogy
how one person is using it in library instruction
What is feminist pedagogy?

"a perspective on teaching which is anti-sexist, anti-hierarchical, and which stresses women's experiences, both the suffering our oppression has caused and the strengths we have developed to resist it." -- Berenice Fisher

Feminist Pedagogy in Library Instruction

“Feminist teachers favor active learning techniques. Instead of the teacher serving as the ultimate authority on all knowledge and information, knowledge is collaboratively discussed and created by students and the teacher.” (Accardi 2013)
The scenario:
Students need to find info about Chicana feminists

Why can't I find anything in library databases?

Is this source reliable?

Why is the library so confusing?

#critlib15
Things to consider
● Subject Headings
● What information lives in what kind of formats?
● Who is writing the scholarship?
Creating a research community

Students posted one article, book, website, search term, research tip that helped them to a padlet.
