\*City is located and has population in more than one county.

Note: The cities of Adams, Bonanza, Ukiah and Rivergrove conducted local enumerations following Census 2010.

*Please use caution when comparing the population estimates of the unincorporated county areas, and note that the population estimates for the unincorporated areas represent revised estimates rather than estimates resulting from measured direct change during the year. The unincorporated area is a residual of the county total and the sum of the cities; thus the unincorporated area population is affected by those cities not submitting to PRC the completed annual form since the population of a city is held constant to the previous year if no recent form data are received. Additionally, annexations affect the unincorporated population.*
