THE SIZE OF YOUR HEART-22

It isn't the size of your house so much
That matters so much at all,
It's the gentle hand, it's loving touch
That makes it great or small.
The friends who come in, the hour they
go

Who out of your house depart
Will judge it not by the style you show,
It's all in the size of your heart.
It isn't the size of your head so much,
It isn't the wealth you found
That will make you happy--it's how you
touch

The lives that are all around,
For money-making is not so hard.
To live life well, is an art;
How men love you, how men regard
Is all in the size of your heart.

THE SIZE OF YOUR HEART
It isn't the size of your heart
That makes it great or small,
It's the gentle hand, it's the loving touch,
The friends who come in, the love they
Who out of your house depart,
Will judge it not by the size you show,
It's all in the size of your heart,
It isn't the size of your heart,
That will make you happy--it's the love
The lives that are all around,
The love that is not so hard,
The life well, it is an art,
How can you, how can you regard,
Is all in the size of your heart.
