# MENASA CONVENING

October 23, 2022

**Sunday October 23rd | 11:00am - 2:00pm**

Native American Student & Community Center

710 SW Jackson St, Portland, OR 97201

PSU is proactively leaning into its future as a majority-BIPOC student institution and is dedicated to coming alongside BIPOC communities, critical partners, actors, and agents to act in the present to ensure a prosperous future.

We recognize that opportunities and challenges for BIPOC communities require collective, rather than singular, action. In that spirit, we invite you to save the date and join Portland State University's Global Diversity and Inclusion Division on Sunday October 23rd between 11am-2pm for a convening luncheon contemplating present challenges and imagining a prosperous future for our Middle East North African South Asian (MENASA) Community.

This social event aims to be an asset-based intergenerational, inter-ideological, and intercultural opportunity for listening, shared learning, and recognition of points of synergy and opportunity across the rich and diverse identities of the MENASA community in our area -- resulting in a shared agenda and momentum for action.
