How do the services we offer meet the community's needs?

Transformative Social Engagement

Showing Up & Being Present

[Critical Analysis]

- Participating outside the Library
- Investing time & energy in non-library and non-digital media projects
- These connections provide nuance & details

High Impact Practices

Digital Media Lab Internships

- Focus on University mission & values (social & environmental justice)

- We believe in the dignity of all individuals, in fair and equitable opportunity. We value the richness and diversity of perspectives. We value the inclusiveness of diversity, and the power of alternative paradigms of thought.

~~Digital Literacy?~~

Your Role

Don't be tied down to library and digital media work (your role)

When your community shares something with you, analyze how you can help or participate

Step up into new roles

Thank You
