# A Profile of Freshman Inquiry Students Fall 2022

Assessment & Research Report  
University Studies Program, Portland State University  
Rowanna Carpenter\*

In order to better understand the students enrolled in Freshman Inquiry (FRINQ) courses and identify areas where they may need support, University Studies (UNST) began collecting and compiling data on these students. This report presents a profile of FRINQ students from Fall 2022. It presents an overview of all students enrolled in FRINQ during Fall 2022 and then summarizes information from the Prior Learning Survey.

## Differences 2017 – 2022

Some areas showed notable differences when comparing FRINQ students from 2022 with students from 2017 (overall N=1539, survey N=1247):

- *Race/Ethnicity:* Hispanic/Latine students increased from 20% to 32%. White students decreased from 45% to 37%.
- *Degree Plans:* 80% of FRINQ students in 2022 plan to earn a bachelor's degree from PSU compared to 87% in 2017.
- *Financial Concerns:* 40% of students in 2022 expressed finances as their top concern compared to 33% of students in 2017.
- *Home Language:* In 2022, 45% of students reported speaking a language other than English at home, up from 35% in 2017.

## Data Sources:

*PSU Data Warehouse:* PSU Office of Institutional Research and Planning 4<sup>th</sup> week student data file, includes demographic and enrollment data for all 2022 FRINQ students.

*Prior Learning Survey:* Survey administered during weeks 1 and 2 of Fall term. 951 students responded to the survey (73.8% response rate).
