When Ernie was City Planner,
he had more faith in Planning than
some of us.

Ernie & I were going sailing
on the Columbia one day. We
both lived on the west side &
I took my usual route out
the Peninsula to NE 33rd, north
on 33rd to Morris Drive.

When I got on ~~the~~ 33rd,
Ernie asked me why I was going
that way. I answered because I
liked that route.

Ernie said, "But 33rd is
a neighborhood collector street - not
an arterial."

So much for the Arterial Streets
Plan.

John Wright
