The office of
Vera Katz
Mayor Portland Oregon The City That Works

January 13, 2003

Mr. Ernie Bonner
2924 NE 27th Ave
Portland OR 97212

Dear Ernie:

On behalf of the City of Portland, I want to express to you my thanks for your service on the Portland Planning Commission since May, 2001. Citizens who volunteer their service in this way are a valuable resource to the City, and I thank you for your time, effort, energy, and enthusiasm.

I hope your health permits you time and energy for your many activities and wish you success. I know that while we have lost your service as a Planning Commissioner, you will continue your interest and involvement in city and public affairs.

I'm grateful for the expertise and time that you've devoted to the Marquam Hill and South Waterfront (North Macadam) projects, and the others you've overseen during your tenure on the Commission. I appreciate your offer to stay on the Commission until a replacement is appointed. My office will work to find a replacement so that your time may be freed for your other pursuits.

Thank you again for your service and for your continuing contributions to the City of Portland and our community.

With warm regards,

Vera

Vera Katz
Mayor
