W. A. B.

Dear Sir:

We have prepared and are submitting herewith a form of resolution approving the route for the extension of U. S. Highway W-99 to connect S. W. Barbur Boulevard with N. Interstate Avenue by way of the waterfront, and also approving cooperation between the city and the Oregon State Highway Commission.

The resolution regularly adopted by the Oregon State Highway Commission on April 9, 1940, failed to take into consideration the Dock Commission of the City of Portland, which has, as you know, certain jurisdiction over streets, avenues and highways within the prescribed distance of the waterfront.

We are suggesting in the resolution which we are submitting that a certified copy be served on the Dock Commission and that they be requested to adopt a resolution approving the route as decided upon by the city and the Oregon State Highway Commission.

We are submitting herewith a certified copy of the resolution adopted by the State Highway Commission and we recommend that this be filed with the Council and become a part of the record in the Auditor's office.

Very truly yours,

Alexander H. Brown
