In re: Imp. of Front avenue

Dear Mr. Martin:

Mayor Carson asked me to inform you when the State Highway Commission would be able to meet with representatives of the city and you for a discussion of the improvement of Front avenue.

Mr. Baldoek has notified city engineer Apperson that the Highway Commission will meet at 2:00 p.m. August 15th, and at that time will discuss the improvement with us. The place of meeting will be determined later, and when we receive that information we will communicate with you.

Yours very truly,

COMMISSIONER OF PUBLIC WORKS
