This Presentation is brought to you for free and open access. It has been accepted for inclusion in Online Northwest by an authorized administrator of PDXScholar. Please contact us if we can make this document more accessible: pdxscholar@pdx.edu.

The background of the slide features a close-up photograph of various succulent plants, including a prominent blue-green Echeveria in the center and several smaller, lighter green ones to the right. The plants are set against a dark, blurred background, and some light-colored, textured rocks are visible in the lower-left corner. The overall lighting is soft, creating a natural and serene atmosphere.

Takeaways

Activity

- Brainstorm resources available **outside** the library you can direct patrons to.
- Brainstorm community partners or other libraries with which you could work.
- Brainstorm how to discover your patron's information seeking behavior.
