W. A. B.

Dear Mr. Weller:

I have recently received copies of letters written by Mr. D. E. Bergstrom to Dee Myers and to Ben Medofsky intimating that the State Highway Department plans to construct pedestrian overcrossings or undercrossings of Harbor Drive. There is nothing on any present program for any such work on Harbor Drive and I can give you no information as to when any such work would be programmed.

Very truly yours,

W. C. Williams  
State Highway Engineer
