The Healers by Gina Breedlove

*This is a song about coming together
This is a song about how
Word I am word and I know how to serve
this is a song about now
Somebody told us to love one another
Quiet the mind and be still
Now is the time to believe who you are
Marry your soul with your will*

I say ahhhhh ha ahhhhh ha

*We are the ones who will heal
Now is the time to believe who you are
Remember, only love is real
This is a song about healing the healers
Opening hearts with a sound
Changing the world with all of our hands
together, standing our ground*

I say ahhhhh ha ahhhhhha ha

*We are the ones who will heal
Now is the time to believe who you are
Remember, only love is real*
