

Wishing, hoping, and dreaming can't bring about a great future. Bountiful tomorrows are products of observation, communication, and direction. Please help us with your insights.

We are graduate students in Portland State's Urban Planning program. We are examining urban issues in Unincorporated North Clackamas County. The Clackamas Town Center (CTC) is in the middle of our study area (see map). The most difficult aspect of our assignment requires us to examine the present for indications of the future, around the year 2030. Thank you for taking a moment to imagine events leading to that future. Your help is wholeheartedly appreciated.
