

PUBLICATIONS BY W. A. ROCKIE

1. 1916, Soil Survey of Nemaha County, Nebraska (with A.H. Meyer et al.). U.S. Department of Agriculture, 38 pp.
2. 1916, Soil Survey of Thurston County, Nebraska (with A.H. Meyer et al.). U.S. Department of Agriculture, 44 pp.
3. 1916, Soil Survey of Seward County, Nebraska (with A.H. Meyer et al.). U.S. Department of Agriculture, 40 pp.
4. 1917, Soil Survey of Smith County, Texas (with L.R. Schoenmann et al.). U.S. Department of Agriculture, 51 pp.
5. 1917, Soil Survey of Eastland County, Texas (with W.C. Smith et al.). U.S. Department of Agriculture.
6. 1918, Soil Survey of Rapides Parish, Louisiana (with E.H. Smies et al.). U.S. Department of Agriculture.
7. 1919, Soil Survey of Burke County, Georgia (with E.T. Maxon et al.). U.S. Department of Agriculture, 31 pp.
8. 1922, Soil Survey of Sioux County, Nebraska (with C.E. Deardorff et al.). U.S. Department of Agriculture.
9. 1926, "The Cordilleran Drainage at the Time of the Wisconsin Glaciation and Its Relation to the Erosion of Lake Pend Oreille," (With Thomas Large). Presented at Geology and Geography Section, Third Annual Meeting, Northwest Scientific Association, Spokane, Washington, December 28-29. Published in Abstracts of Papers, Northwest Science, Vol. 1, No. 2, June, 1927, pp. 42-43.
10. 1931, "Erosion and Homesteading in Algeria." American Society of Agronomy Journal, Vol. 23, pp. 580-581.
11. 1931, "Report of the Pacific Northwest Soil Erosion Experiment Station for 1931." Forty-First Annual Report of the Washington Agricultural Experiment Station, Bulletin 260, pp. 79-86.
12. 1932, "Soil Erosion Caused by Heavy Rain of July 30, 1931, near Colfax, Washington." Monthly Weather Review, January.
13. 1932, "Erosive Effects of Heavy Summer Rains in Southeastern Washington," (with P. C. McGrew). Washington State College Agricultural Experiment Station Bulletin 271, pp. 3-8.
14. 1932. "Work at the Pacific Northwest Soil Erosion Experiment Station." C & S Contact, Vol. 1, No. 8.
15. 1932, "Yesterday, Today, Tomorrow." Washington Farmer, Nov. 3, p. 3.
16. 1932, "Relation to Climate of Erosion and Run-Off Data From Differently Cropped Control Plots at the Pacific Northwest Soil Erosion Experiment Station." Bulletin of the American Meteorological Society, Vol. 13, No. 11, p. 202.
17. 1932, "Report of Pacific Northwest Soil Erosion Experiment Station." Division Report in Bulletin 275, Washington Agricultural Experiment Station.
18. 1933, "Some Important Effects of the Summer Fallow System of Farming on Soil Erosion in the Pacific Northwest." Published as Scientific Paper No. 226, State College of Washington. Also, in Northwest Science, Vol. 7, No. 1, 1933, pp. 19-22.
19. 1933, "Tons of Soil Go Into the Sea." Washington Farmer, Vol. 68, No. 3, p. 7.
20. 1933, "Report of Pacific Northwest Soil Erosion Experiment Station." Division Report in Bulletin 291, Washington Agricultural Experiment Station.
21. 1934, "Snowdrifts and the Palouse Topography." Geographical Review, Vol. 24, No. 3, pp. 380-385.
22. 1934, "Soil Erosion -- What it Means to the Pacific Northwest." Proceedings, 29th Regular Meeting of the Pacific Northwest Advisory Board, Portland, Oregon, September.
23. 1935, "Your Farm Losses Reduced by Erosion Control." Proceedings, 30th Regular Meeting of the Pacific Northwest Advisory Board, March 22.
24. 1935, "Erosion Control in the Wheat Lands of the Pacific Northwest," Soil Conservation, Vol. 1, No. 1, p. 14.
25. 1935, "A Message to All Members of the Northwest Scientific Association," Northwest Science, Vol. 9, No. 3, pp. 3-4.
26. 1935, "The 1935 Meeting of the Northwest Scientific Association," Northwest Science, Vol. 9, No. 4, p. 3.
27. 1936, Soil and Water Conservation in the Pacific Northwest. U. S. Department of Agriculture Bulletin, 5 pp.
28. 1936, "What Causes Our Floods?" Presented at Northwest Scientific Association Meeting, December 28-29, 1934. Published in Northwest Science, Vol. 10, No. 4, pp. 2-5.
29. 1936, "Land Abuse or Land Use." Presented

- at Ninth Annual Meeting of Western Farm Economics Association, Laramie, Wyoming, July 30-31 and August 1. Published in Proceedings, Western Farm Economics Association Ninth Annual Meeting, pp. 169-175.
30. 1937, "Soil and Water Mean Food and Drink." Presented to Northwest Scientific Association December 29, 1936. Published in Northwest Science, Vol. 11, No. 2, pp. 30-36.
 31. 1937, "Ecological Aspects of Soil Erosion in the Pacific Northwest as Determined by the Reconnaissance Erosion Survey," (with A. L. Hafenrichter). Northwest Science, Vol. 11, No. 4, pp. 93-103.
 32. 1937, "Man's Effects on the Palouse." Presented to Association of American Geographers, December 29. Published in Geographical Review, Vol. 29, No. 1, pp. 34-35.
 33. 1939, "A Prehistoric Hitch-Hiker." Northwest Science, Vol. 13, No. 3, pp. 65-66.
 34. 1940, "Tornado Cloud Seen in Alaska." Science, New Series, Vol. 91, No. 2351, p. 71.
 35. 1940, "Alaska's Agricultural Future." Presented at joint session of American Association for the Advancement of Science and Geological Society of America, Seattle, Washington, June 17-23. Abstracts, pp. 21-22.
 36. 1941, "Matanuska from Lazy Mountain." Soil Conservation, Vol. 6, No. 2, pp. 284-286.
 37. 1942, "Pacific Northwest Soils," (with C. E. Deardorff). The Pacific Northwest, edited by Otis W. Freeman and Howard H. Martin, pp. 129-145. New York: John Wiley & Sons.
 38. 1942, "Soil and Moisture Conservation," The Pacific Northwest, edited by Otis W. Freeman and Howard H. Martin, pp. 159-177. New York: John Wiley & Sons.
 39. 1942, "Pitting on Alaska Farm Lands: A New Erosion Problem." Geographical Review, Vol. 32, No. 1, January, pp. 128-134.
 40. 1942, "A Picture of Matanuska." Geographical Review, Vol. 32, No. 3, July, pp. 353-371.
 41. 1942, "Soil Areas in Pacific Northwest" and "Erosion," (with C. E. Deardorff). Economic Atlas of the Pacific Northwest. Portland, Oregon: Northwest Regional Council.
 42. 1942, "Erosion Lessons to be Learned from Mexico." Yearbook, Association of Pacific Coast Geographers, Vol. 8, pp. 30-31.
 43. 1942, Book Review, Soils and Soil Management, in Geographical Review, Vol. 32, No. 3, pp. 511-512.
 44. 1943, "Puget Sound Region, War and Post-War Development," (with B. H. Pubols). Report of Puget Sound Regional Planning Commission, Part III, Agriculture and Agricultural Land Use. Washington, D. C.: National Resources Planning Board.
 45. 1943, "Two Accounts of a Tornado in the Pacific Northwest." Northwest Science, Vol. 17, No. 4, pp. 91-92.
 46. 1944, "Backsight and Foresight on Land Use." Northwest Science, Vol. 18, No. 2, pp. 35-42.
 47. 1946, "What of Alaska?" Soil Conservation, Vol. 11, No. 7, pp. 147-153.
 48. 1946, Physical Land Conditions in the Matanuska Valley, Alaska. Physical Land Survey No. 41, Soil Conservation Service, U.S. Department of Agriculture.
 49. 1946, Book Review, Potential Farmlands of Alaska, in Geographical Review, Vol. 36, No. 2, pp. 322-323.
 50. 1949, "Forest Resources and Industries of the Portland Area" (with T.T. Munger, et al.). Portland City Club Bulletin, Vol. 29, No. 47, May 6.
 51. 1949, "Snowdrift Erosion in Palouse." Journal of Soil and Water Conservation, Vol. 4, No. 3.
 52. 1949, "Snowdrift Conditions in the Palouse." Yearbook, Association of Pacific Coast Geographers, Vol. 11, p. 41.
 53. 1950, "Soil Conservation," Chapter in Conservation of Natural Resources, edited by Guy-Harold Smith. New York: John Wiley & Sons.
 54. 1951, Book Review, Alaskan Group Settlement: The Matanuska Colony, in Economic Geography, Vol. 27, No. 2, pp. 187-188.
 55. 1951, "Snowdrift Erosion in the Palouse." Geographical Review, Vol. 41, No. 3, pp. 457-463.
 56. 1953, "The Amazing Spread of Soil Conservation Districts," Northwest Science, Vol. 27, No. 4, pp. 156-162.
 57. 1953, "The Palouse." Presidential address to Association of Pacific Coast Geographers, Santa Barbara, California, June 18. Yearbook, Association of Pacific Coast Geographers, Vol. 15, pp. 3-10.
 58. 1954, "Sahara is Not All Desert." Presented at joint session of American Association for the Advancement of Science and Geological Society of America, Berkeley, California,

December 28-30. Abstracts, p. 10.

59. 1955, "Water Makes a Difference." Journal of Soil and Water Conservation, Vol. 10, No. 5, p. 249.
60. 1955, "Jamaica--Primitive, Turbulent." Nebraska Alumnus, November, pp. 9-11.
61. 1956, "My Forty-Five Years in Government and Foreign Service." The Pearls and Rubies (national magazine of Farmhouse Fraternity), Fall, pp. 38-39.
62. 1958, Letter to Editor (about L. Dudley Stamp) The Professional Geographer, Vol. 10, No. 6, pp. 29-30.
63. 1959, "Report from Denmark." Journal of Soil and Water Conservation, Vol. 14, No. 2, p. 82.
64. 1966, Book Review, Soil Conservation in Perspective, in The Professional Geographer, Vol. 18, No. 1, p. 52.
65. 1972, "Geological Highlights of the Middle East." The Geological Newsletter (Journal of the Geological Society of the Oregon Country), Vol. 38, No. 11, p. 117.
