When Residents Speak and Are Heard - Amazing Things Take Place

Project Client: Foster Green Ecodistrict

Project Location: Lents, Mt. Scott-Arleta, and Foster-Powell Neighborhoods in SE Portland

Alley Allies is a community-based project exploring the revitalization of alley space in Southeast Portland's Lents, Mt. Scott-Arleta, and Foster-Powell neighborhoods.

Alleys in this area are currently seen as a liability, but have the potential to become a community resource.

The project was guided by residents' values and priorities, and resulted in three products:

1. Alley Allies Report: Research, existing conditions analysis, and public participation findings
2. Alley Allies Plan: Alley potential, findings, and recommendations
3. Alley Improvement Toolkit: Guide for community members to implement alley projects

With these deliverables, and the continued support of the project participants and partners, Alley Allies seeks to transform the alleys Southeast Portland.
