In accordance with the Constitution of the PSU Faculty, Senate Agendas are calendared for delivery ten working days before Senate meetings, so that all faculty will have public notice of curricular proposals, and adequate time to review and research all action items. In the case of lengthy documents, only a summary will be included with the agenda. Full proposals are available at the PSU Curricular Tracking System: http://psucurriculumtracker.pbworks.com. If there are questions or concerns about Agenda items, please consult the appropriate parties and make every attempt to resolve them before the meeting, so as not to delay the business of the PSU Faculty Senate.

Senators are reminded that the Constitution specifies that the Secretary be provided with the name of his/her Senate Alternate. An Alternate is another faculty member from the same Senate division as the faculty senator. A faculty member may serve as Alternate for more than one senator, but an alternate may represent only one Senator at any given meeting.

A. ROLL

B. APPROVAL OF THE MINUTES OF THE JUNE 7, 2010, MEETING

The meeting was called to order at 3:01 p.m. The minutes were approved as published.

C. ANNOUNCEMENTS AND COMMUNICATIONS FROM THE FLOOR

CHANGES TO SENATE AGENDA FOR OCTOBER 4, 2010:
E-1, a. removed from E.1. Consent Agenda.

CHANGES IN SENATE AND COMMITTEE MEMBERSHIPS SINCE JUNE 2010:
Molly Griffith was elected in the XS runoffs; Serge Preston replaces L. Mercer; Michel Clark replaces Wamser; William Fischer replaces Ceppi; Karen Karavanic replaces Sailor; Doug Siegler replaces Webb. Committee appointment changes are
reflected in the 2010-11 Faculty Governance Guide, 1st Ed, published Sept. 17, 2010, except for the following: Babcock replaces Meadows on Budget Committee; Darrel Hackworth, Tammy Hooper, and Jonathon Uto have been replaced by Mark Russell, Kristin Smith, and Jason Mitchell, and Mike Holt has been added to Campus Safety: Richard Beyler replaces Geiger on EPC; James Nash has been appointed to the Graduate Council.

SENATORS were reminded to complete caucus elections by the end of the meeting.

WELCOME AND INTRODUCTIONS: HINES introduced the agenda of the 2010-11 Faculty Senate. She reminded of the contents of her recent Senate letter and requested members to continue to submit ideas and concerns. She also requested that members remember to report the proceedings back to their units. HINES briefly described the Steering Committee annual retreat and the agenda they developed. Lastly, she noted that committee reports will be treated in the manner of a consent agenda, and will not be reviewed in the meeting unless senators request it. JONES provided a brief introduction to PSU Faculty Governance and the Constitution. LUCKETT provided a brief overview of Robert’s Rule’s and practice at PSU. He reminded that Robert’s Rules and PSU practice have differed in several ways: PSU Faculty Senate abuses the tabling of motions, which should only take place if an item of urgency intervenes; there is no such thing as PSU’s “friendly” amendments (a side effect of poor decorum); PSU Ex officio members have no vote; PSU motions have been introduced by non-Senators; and, PSU violates the required 2/3 vote to pass a motion not originally placed on the agenda.

D. UNFINISHED BUSINESS

The Presiding Office introduced members of the committee who were present and thanked them for their service. Applause The Presiding Office accepted the report for the Senate, after “D.2.”

2. Proposal to Amend the PSU Faculty Constitution, Art. IV., 4., 4). o Honors Council

LUCKETT/MacCORMACK moved the following motion, submitted to the Secretary with signatures on 27 September 2010:

*ARTICLE IV. ORGANIZATION OF THE FACULTY. 4) Standing Committees and Their Functions. o) Honors Council. This council shall consist of six faculty members from the College of Liberal Arts and Sciences (two from each of its divisions), one from each of the other divisions, one from the University Honors Program, two upper-division undergraduate students and, as consultants, the following or his/her representative: the Provost, the Dean of Undergraduate Studies, the director of the University Honors Program, and a member of the University Studies Council. The Committee on Committees shall endeavor to select appointees from among faculty members with an involvement in department honors tracks, department honors societies, and the University Honors Program. As best as possible, the
student representatives should be drawn from students participating in the University Honors Program or a departmental honors track. The Council shall:

1) Develop and recommend University policies and establish general procedures and regulations for the University Honors Program and departmental honors tracks.
2) Recommend to the Faculty Senate or its appropriate committees and to the Dean of Undergraduate Studies suitable policies and standards for Honors courses, programs, and tracks.
3) Coordinate with the Undergraduate Curriculum Committee to review recommendations to the Senate for new courses in the University Honors Program and for substantive changes to the Honors Program with regard to quality and emphasis.
4) Coordinate with the Undergraduate Curriculum Committee to review recommendations to the Senate regarding the creation of new honors tracks or for changes in the requirements of existing tracks.
5) Review, at its own initiative or at the request of appropriate individuals or faculty committees, campus-wide resources, practices, and services for and practices in regard to high-achieving students, and suggest needed changes to the appropriate administrators or faculty committee.
6) Act in liaison with appropriate committees.
7) Report at least once a year to the Senate, including a list of courses and program changes reviewed and approved.

BLACK asked for clarification of the term “division.” The Presiding Officer explained that the Constitution, Art. V, defines each representative unit of faculty governance as a “division.” Additionally, as of June 2010, CLAS is also likewise divided into three divisions (academic distribution areas) for the purpose of Senate and committee representation, Arts and Letters, Sciences, and Social Sciences. ALLEN concurred, noting that CLAS would have 6 representatives, three from each distribution area. PALMITER expressed confusion. ANDREWS-COLLIER explained that this roster closely parallels those of the other constitutional committees with divisional representation. LUCKETT concurred. ________ proposed we spell this out more clearly, unless we have to be consistent with the other descriptions. WETZEL proposed that we trust this language, and next month come in with a list of who these people are. BROWN cautioned that detailed descriptions are not normally used in Constitutions. KOCH noted that this description mirrors the other descriptions, totaling 12 divisional representatives in all on each “distribution” committee, but that as of September, we have no Dean of Undergraduate Studies. REESE suggested adding “the following:”

__________ queried if “Dean of Undergraduate Studies” was obsolete. KOCH replied that the responsibilities of that title now fall to the Vice Provost for Academic Programs and Instruction. ________ yielded to Jhaj. JHAJ queried of the Ad Hoc Committee for High Achieving Students considered expanding the scope of the UNST Council to take responsibilities for these duties. LUCKETT stated no.

REESE/PALMITER MOVED “the following:” be inserted after “consist of” in line #2.

THE MOTION TO AMEND PASSED by unanimous voice vote.
RUETER yielded to Jhaj. JHAJ reiterated his query about why a single committee to oversee University Studies and High Achieving Students was not recommended. HICKEY responded for Academic Requirements, that high achieving students include major tracks as well as general education students. The committee supports this being a separate committee to address this separate agenda, how we can more broadly promote and support the Honors College concept.

RUETER queried if there was a tie between the amendment and the ad hoc report. LUCKETT noted that no, the intent is to begin here. ARANTE proposed listing every representative.

BURNS/BLEILER MOVED TO AMEND to motion, adding “faculty” after “one” in line #3 and “one” in line #4.

ANDREWS-COLLIER recommended that the change be left to another day, when all committee can be changed to match. REESE agreed.

THE MOTION TO AMEND FAILED by majority voice vote.

Hearing no further discussion, the Presiding Officer noted the proposed amendment to the constitution would be forwarded to the Advisory Council for comment as prescribed by the Constitution, and returned to the Senate for an up or down vote in November.

E. NEW BUSINESS

1. Curricular Consent Agenda

HINES/SHUSTERMAN MOVED THE SENATE APPROVE “E.1.” as listed.

THE MOTION PASSED by unanimous voice vote.

2. E-1, a. Proposal for Master’s Degree Name Change

RUETER/SHUSTERMAN MOVED THE SENATE APPROVE “E.1.a.” as listed, with the correction that the degree is the M.S not “MA” as listed in the proposal.

THE MOTION PASSED by unanimous voice vote.

F. QUESTION PERIOD

There were no questions.

G. REPORTS FROM OFFICERS OF THE ADMINISTRATION AND COMMITTEES
President’s Report

WIEWEL introduced new members of the administration, Vice President Françoise Aylmer (present), Dr. John Fink, VP for Research and Strategic Partnerships, and Jilma Meneses, JD, Chief Diversity Officer (absent). Applause. WIEWEL noted that arguably, Meneses’ job will be the most difficult as it is the newest.

WIEWEL noted he would not repeat any remarks made at Convocation, as a video is available. He reminded that the strategic work plan, including 83 action items and outcomes, is also available on his website.

WIEWEL noted that enrollment growth this fall is more modest - slightly below 3% - deliberately so, as a result of more rigorously enforcing our admission standards. We want to purposefully match the number of special admits to the number of people who can assist them. He also noted that WUE students are now being charged regular tuition. WIEWEL noted that today, he announced the Latino Student initiative to increase the future number of graduates in this underrepresented population. Concurrently, he noted the record number of Portland metro area valedictorians in the incoming class of 2014.

WIEWEL noted that a $400,000 gift for Lincoln Hall for solar roof panels would enable the university to apply for LEED Platinum status for the building. He noted that construction of the lobby on Broadway would get underway this term, and this leaves only $3.5 Million left to complete funding the Broadway pavilion. Wiewel also noted other grants received recently. WIEWEL concluded by noting that there would be a public meeting about the PSU-OHSU strategic alliance task force report on 2 November.

Provost’s Report

KOCH introduced the new Vice Provosts, Dr. Kevin Reynolds, Academic Fiscal Strategies and Planning, and Dr. Melody Rose, Academic Programs and Instruction. Applause.

KOCH extended his thanks to Janine Allen for her diligent work in chairing the Ad Hoc Committee for High Achieving Students, noting that there were spirited discussions to say the least. He reminded that our ability to attract and retain these students is a very important issue.

KOCH discussed topics related to Information Technology on campus. He noted that he very recently appointed Kevin Reynolds the new chair of “ACAIT” (Advisory Committee on Academic Information Technology, and therefore Reynolds would give the annual report next month not this. KOCH noted that “COLT” (Collaborative On Line Learning Team) was given three specific projects last year, and he has accepted their recommendations on two of the items and dismissed the committee. We will still be working over time on the further development of on line education. The next step will be the formation of a single unit to support activities around on-line education, to report to Melody Rose, on the theory that this is an educational
function. There will be a search for the Director this year, and we will transition to one unit only. There are many policy related issues around this, and we will frequently engage the Senate Ad Hoc Committee to refine policy issues related to online learning in the coming year.

In last year’s budget we identified $70,000 for faculty expansion, and working with the deans we have tried to increase this. We have developed criteria for and requested from the deans, proposals to move instructional funding from adjunct sections to full-time lines. We are currently in the process of identifying staged allocations of those proposals.

The topic for the annual symposium in winter term will be based on meetings held to develop content. The meetings are upcoming and faculty participation will be solicited for these meetings.

KOCH noted that admission practices for freshmen have been reviewed, with respect to the specified number of students who would be able to trade off GPA requirements with test scores. Proposals for revision will be presented and reviewed in three public meetings in October, so that everyone will be aware of the thinking that went into this decision.

SEPPALAINEN asked, regarding the new Chief Diversity Officer, if there are academic agendas. WIEWEL noted that her position combines the Affirmative Action office and the Office of Diversity and Equity. She will work with all units, academic and administration, to enhance diversity in the institution, including students, faculty and staff and how we do our business. The details of how she does that is what will evolve over time.

1. Update Report on PSU-OHSU Strategic Partnerships Task Force

GELMON reported briefly on the activities of the ad hoc committee. She noted that their draft report emphasizes strategic alliances, not merging, including recommendations in sub-areas.

KOHLES asked for clarification, with respect to the relevancy to legislative proposals in the upcoming session. GELMON stated that the task force’s findings are intended to educate legislators. BUTLER noted the tremendous work the committee has done, and asked if this effort will pay off. GELMON stated yes. KOCH noted that, with the exception of Public Health, many other relationships could be enhanced and this could occur without the need for additional funding. FINK noted that the relationship of PSU and OHSU already in place provides a terrific opportunity for the university, and commended the task force for getting this far.

H. ADJOURNMENT

Proposed Amendment
to the Constitution of the Portland State University Faculty

BASED ON THE RECOMMENDATIONS OF THE AD HOC COMMITTEE ON HIGH ACHIEVING STUDENTS, THE UNDERSIGNED MEMBERS OF THE FACULTY SENATE PROPOSES THE FOLLOWING ADDITION, WHICH CREATES A NEW CONSTITUTIONAL COMMITTEE:

ARTICLE IV. ORGANIZATION OF THE FACULTY. 4) Standing Committees and Their Functions. o) Honors Council. This council shall consist of the following: six faculty members from the College of Liberal Arts and Sciences (two from each of its divisions), one from each of the other divisions, one from the University Honors Program, two upper-division undergraduate students and, as consultants, the following or his/her representative: the Provost, the Dean of Undergraduate Studies, the director of the University Honors Program, and a member of the University Studies Council. The Committee on Committees shall endeavor to select appointees from among faculty members with an involvement in department honors tracks, department honors societies, and the University Honors Program. As best as possible, the student representatives should be drawn from students participating in the University Honors Program or a departmental honors track. The Council shall:

1) Develop and recommend University policies and establish general procedures and regulations for the University Honors Program and departmental honors tracks.
2) Recommend to the Faculty Senate or its appropriate committees and to the Dean of Undergraduate Studies suitable policies and standards for Honors courses, programs, and tracks.
3) Coordinate with the Undergraduate Curriculum Committee to review recommendations to the Senate for new courses in the University Honors Program and for substantive changes to the Honors Program with regard to quality and emphasis.
4) Coordinate with the Undergraduate Curriculum Committee to review recommendations to the Senate regarding the creation of new honors tracks or for changes in the requirements of existing tracks.
5) Review, at its own initiative or at the request of appropriate individuals or faculty committees, campus-wide resources, practices, and services for and practices in regard to high-achieving students, and suggest needed changes to the appropriate administrators or faculty committee.
6) Act in liaison with appropriate committees.
7) Report at least once a year to the Senate, including a list of courses and program changes reviewed and approved,
Senate Questions RE: Classroom Setup/Hoffman Hall Issues
Response prepared by Mark Gregory, AVP Finance & Administration

Q1: Generally, who in the administration is responsible for facilities and physical plant?

Robyn Pierce (piercer@pdx.edu, 5-4310) is the Director of Facilities and Planning. She reports to Mark Gregory, Associate VP in Finance and Administration (gregorym@pdx.edu). Mark is the administrator responsible for facilities, technology and campus auxiliary operations. This includes all university buildings, systems and conditions and/or related services, regardless of whether the space is owned or leased by PSU, academic space or otherwise.

Q2: Specifically, who does Facilities report to and who can assist (from the Administration) in ensuring that teaching rooms are routinely set up in the proper manner? Who do repeated problems get reported to?

Room conditions and room setup may involve Facilities, Auxiliary Operations, or Technology staff. Each of these units report through Finance and Administration and any problems that are not receiving a response from the above units should be reported to AVP Mark Gregory (gregorym@pdx.edu).

Q3. Who can authorize budgetary expenditures so that rooms have seating and tables set up at what is the accepted room capacity?

Facilities and Planning authorizes these expenditures. The Facilities and Planning budget has limited maintenance funds, but does make emergency repairs, additions or replacements to classroom furnishings as needed. Missing, broken or inadequate furniture should be reported first to Facilities and Planning at 725-8362 (the facilities customer service center). If furniture shortages continue in a given room contact Robyn Pierce (piercer@pdx.edu, 5-4310).

Q4. Who is the liaison for spaces that are also used by the public on a rental basis? In particular, this has been a problem in Hoffmann Hall, where faculty and students on numerous occasions during a term have to set up their own tables and chairs.

A few classrooms on campus are also used regularly for events; Hoffman Hall is one example. While Facilities is responsible for furnishing and maintaining these rooms, the events held in them are managed by Auxiliary Operations. After an event the classroom should be returned to a normal classroom setup, if it is not this is a mistake. Auxiliary Operations staff can be reached at 725-2663 or conferences@pdx.edu. Or you can call Facilities and Planning at 725-8362, they too will coordinate this type of issue with Auxiliaries on your behalf.

Repeated issues, inaction, or unresponsiveness should be brought to the attention of Mark Gregory (gregorym@pdx.edu).

Re: Portland State University Advisory Committee on Academic Information Technologies (ACAIT) Annual Report 2009-2010

ACAIT spent the 2008-2009 year creating the RFP for a new Learning Management System (LMS) to replace a legacy BlackBoard WebCT version. Most of the 2009-2010 year was spent evaluating the 9 RFP responses and demonstrations according to the specifications requested, calling references, selecting the 2 finalists to provide all-campus demonstrations, collecting campus feedback, and recommending the selection of Desire2Learn as the new LMS. The contract was not finally negotiated and signed until May 2010. A D2L Migration Team was appointed by the Provost and is now moving course content from the Blackboard platform to the Desire2Learn platform. It is hoped that migration will be completed by January 2011, but the Blackboard contract will be kept at least through June 2011 to insure full migration before the Blackboard platform is terminated.

ACAIT has now turned its attention to understanding the current state and future needs of academic research computing at Portland State. We designed a survey to gather faculty perceptions of the levels of support provided researchers through a variety of aspects of technology, from website development, to qualitative and quantitative analysis, to programming, to data storage, to high-performance computing. Survey results indicate much dissatisfaction and are attached. ACAIT will not pursue this topic further until the Fall Term, when a new Vice President for Research and Strategic Partnerships will be on campus. ACAIT looks forward to discussing the survey results with the new VP and determining priorities for future attention on the subject.
